

The days fly by so quickly that as students, teachers, staff and parents we often find ourselves moving from one activity to the next, and it's only during a break that we realize our biggest supporters are not only in the audience during Kindergarten graduation or in the pick-up line after school; they are you- our neighbors, local business owners, alumni, parents and friends.

For over 80 years, River Oaks Elementary has had a longstanding relationship both with the neighborhood it serves as well as the greater Houston community. Many do not realize that the River Oaks Elementary PTO assists substantially to fund vital academic programs. Over \$100,000 was raised last year to support the essential needs of our school to fill the funding gaps left by HISD budget cuts. It is only because of your generosity that we are able to provide an outstanding education to all of our 700 students consisting of neighborhood children and students from every trustee district in HISD.

Your donation to the 2010 Fall Frenzy Auction made it possible for River Oaks Elementary to provide its students with the ongoing International Baccalaureate Primary Years Program, a new science lab, a bully prevention program, Odyssey of the Mind as well as a variety of enrichment programs.

We hope you will again partner with us at this year's Fall Frenzy and donate merchandise, a service or a Great Gathering event. Only together through these partnerships are we able to continue to make a difference in the lives of these amazing students at ROE. If you have any questions please feel free to contact us at 713-429-0295 or at [development@riveroakspto.org](mailto:development@riveroakspto.org). Thank you again for your incredible support of our school!

Sincerely yours,

Holly Church Shilstone  
PTO President
